The PADI (Professional Association of Diving Instructors) Open Water SCUBA Diver course is the first level of diver certification, your ticket to exciting adventure in the underwater world.

This course includes academics (classroom), skill practice in confined water (pool), and actual SCUBA diving in open water (Ocean/lake), all under the guidance of a PADI certified instructor. The PADI Open Water SCUBA Diver course consists of 5 academic modules, 5 confined water modules and 5 open water modules.

For your convenience, the academic portion of the Open Water SCUBA Diver course may be completed one of two ways. You may start today by utilizing the PADI Open Water Diver Video or the interactive CD-ROM, then meet up with your instructor to complete one classroom session. The other option is to complete all academic modules in the classroom with your PADI instructor.
